OUR CARE TEAM 2023

Sometimes it is hard to find an open ear for your concerns on the busy dance floor. In order to make it as easy as possible to talk about your well-being, an overwhelming or unpleasant situation or report an incident, we put together the **Vienna Sugar Blues Care Team.**

The Care Team will be around at the parties at all times. Just look for their special glowing flower crowns and reach out to them if you need help taking care of yourself and are comfortable sharing your experience and needs.
